

Dear CANA Member,

I look forward to an exciting year and feel privileged to be a part of the evolution of our association. This includes a transition towards Policy Governance, continued implementation of the CANA strategic plan, and the addition of an Executive Director which will help our association run more efficiently. These changes are being made in order for CANA to provide better service for CRNAs in all practice settings. We will continue to raise the standard of excellence for our association so that we may be an example for others to follow. I appreciate your support and encourage you to contact me with any comments or concerns that you, the member-owners, may have about our association and the profession it serves.

Let's make this a great year for nurse anesthesia!

Joseph Janakes, CRNA, MSN
CANA-President
